for a referral to a provider in your area!

We are:

- ✓ Highly trained
- ✓ Professional
- ✓ Affordable
- ✓ Available for work in San Francisco and the East Bay
- ✓ A non-profit, community-based workforce development project
- ✓ A perfect alternative for socially-minded people wishing to support job development and workers' rights while filling their own household needs!!!

What current employers say about Caring Hands members:

"We have been so blessed to have [our Caring Hands housecleaner] in our life. She is wonderful! We have complete trust and confidence in her work. She is always on time, does a great job, and is such a warm, loving person. We couldn't live without her!"

"I am very satisfied with my helper. She's honest, reliable, very steadfast. I don't have to tell her what to do. She knows!"

"Caring Hands is a lifesaver for me and my family. I have a serious back problem and am unable to do my housework. Thanks to Caring Hands our house looks wonderful."
